Question: "He says: "When we warn some of our sons and youth from the group Daesh (ISIS), the Khawaarij, they say that their deeds are Jihaad (striving) in the way of Allaah." He also mentions: "And we saw them in some videos handing out the Book of Tawheed and that they establish the Hudud (ordained punishment for violating Allaah's Law), order the women with the wearing of the hijaab and destroy the graves. So how do we refute this doubt?"

Shaykh Saalih bin Fawzaan al-Fawzaan [May Allaah preserve him]: "We refute this doubt by looking, when it comes to the group Daesh (ISIS) and other than it, at their methodology and that they have to follow what the Jama'ah (body) of the Muslims are upon and that they don't oppose them and don't revolt against the Muslim rulers. They should not revolt against the Muslim rulers but rather be with the Jama'ah of the Muslims. The Hand of Allaah is over the Jama'ah. And they should not form for themselves a unit or separate group. Yes."

السؤال

يقول: حينما نناصح بعض أبنائنا وشبابنا من تنظيم داعش الخارجي يقولون إن أعمالهم جهاد في سبيل الله. قال: ورأيناهم ينشرون في بعض المقاطع كتاب التوحيد وأنهم يقيمون الحدود و يلزمون النساء بالحجاب ويهدمون الأضرحة. فكيف نرد على هذه الشبهة؟

الجواب: نرد على هذه الشبهة بأن جماعة داعش أو غيرها ينظر في منهجها. وأنها تسيير على ما عليه جماعة المسلمين ولا تخالفهم ولا تخرج على ولاية الأمور. ما تخرج على ولاية الأمور. وإنما تكون مع جماعة المسلمين. يدالله على الجماعة. ولا يكونون لهم وحدة وجماعة منفردة. نعم
