The claim that the Prophet was created from the Light of Allaah

Article taken and slightly adapted from: alifta.net

بسم الله الرحمن الرحيم

Question: I heard a professor saying that Prophet Muhammad (صلى الله عليه وسلم)[1] was created from the Light of Allaah, is this true?

Answer: This statement is not correct, for it opposes both Nusus (legal texts) and reality. Proof, senses, and logic indicate that he was born to a father i.e. `Abdullah ibn `Abdul-Muttalib and a mother i.e. Aminah bint Wahb and his lineage is well known.

May Allaah grant us success. May peace and blessings be upon our Prophet Muhammad, his family, and Companions.
