**Question:** "May Allaah preserve You! What is Your advice to the one who is being influenced by the Khawaarij of this era, defends them and calls them warriors (Mujahidoon)? Likewise he does not accept the speech of the major scholars nor their advice."

**Shaykh 'Abdul-Muhsin bin Hamad al-'Abbaad** [May Allaah preserve him]: "It is obligatory upon the person to fear Allaah in himself and to be cautious not to fall into affairs which destroy and humiliate him. And as for these people being warriors, then yes, they are warriors but in the way of the Shaytaan. They are warriors in the way of the Shaytaan. Thus the person has to be cautious not to be deceived by these people and he has to be cautious not to speak ill of the truth and the scholars who clarify the truth. Yes."
